Company Profiles

Northwest Construction can create a special section that focuses on your company. It can be inserted into an upcoming issue. If your firm is taking a new direction, celebrating an anniversary or re-positioning itself in the marketplace, a company profile should be an important part of your marketing plan. Talk to your sales representative for details.

Directories

Northwest Construction publishes a Construction Directory that lists the leading firms in the industry, in a number of different categories. This resource tool is used throughout the year, so your advertising dollars go further. If there is one issue not to miss, it is the Annual Construction Directory.
